SEWER/WASTERWATER

I am the District #3 Supervisor of the La Paz County Board of Supervisors, I represent my constituency in Ehrenberg, Arizona. For the record, I am voicing my concerns that the peoples' interests affected by the decisions made in this case, especially for those that live in the Emerald Springs Subdivision, are considered when determining the amount of any tariffs or pricing for wastewater services.

It's also imperative that any determination made by the A.C.C. take into account the financial capabilities of tenants living within Copperstate to be able to afford any increase in charges.

 La Paz County Board of Supervisors
